IMKL25 CALL FOR PAPERS !

The Intelligent Manufacturing Kuala Lumpur (IMKL) 2025 conference, we are seeking forward-thinking speakers who can inspire their peers and drive the industry forward. Whether you represent a research institution, a start-up, or an established enterprise, your contributions are highly valued. If you possess innovative insights or compelling case studies, we encourage you to share your knowledge with the industry leaders at IMKL 2025.

Why Secure a Speaking Slot at IMKL 2025?

- **Empowering Digital Transformation:** IMKL 2025 is a conference-led event designed to empower businesses of all sizes on their digitalization journey.
- **In-Depth Knowledge Sharing:** This knowledge-based event goes beyond traditional conferences by offering a Tech Lab and product showcases for more comprehensive discussions.
- **Global Expertise and Networking:** International speakers are invited to share their insights and connect with all participants, providing a global perspective.
- **High-Level Audience:** With 60% of attendees being managerial level or above, the event attracts key decision-makers from SMEs and MNCs.
- **Comprehensive Topic Coverage:** All essential topics, including AI, data & cloud management, and more, will be thoroughly covered.

How to Showcase Your Expertise?

Presentation in various formats:

- Conference Sessions: Broad discussions on trending topics
- Small Group Discussions: Themed breakouts for detailed and further interactions
- Tech Lab Sessions: Workshops, product showcases, and detailed demonstrations for deep dives into special topics

Enjoy complimentary access to:
